TO ALL YOUTH AMPUTEES

Most of you will know about our annual Give it a Go! event held at the same time as our National Conference. This is when a group of young amputees (age 16-30) have a great time taking part in a variety of challenging activities and at the same time enjoy each other's company.

This year's GIAG is being held in Wellington on the 20-22 April, with Japanese Taiko drumming and white water rafting included in the planned activities. We also join in with the National Conference where there are many interesting talks, people and suppliers to update us on the latest technology.

There is a limit on the number of participants and acceptance will be at the discretion of the organisers. The good news is that we will pay for your travel, accommodation and activity fees; you need to pay only for your meals.

A copy of the programme, application and registration form is available from the National Coordinator, or can be downloaded from our website (www.af.org.nz) or accessed through our Facebook page (Amputees New Zealand).

The application form must be returned by Saturday 17 March (late applications won't be accepted), along with payment for your meals (\$100) and (if you are not already a member) a \$10 membership subscription to your local Amputee Society. Note that we will book and pay for your air travel and that you will be asked to share a room.

If you have any questions, get in touch with Matt or Brooke

Matthew Bryson

Brooke Donaldson
GIAG Coordinator
brookedonaldson@hotmail.com

or the National Coordinator (Lorraine Peacock) as above

WE LOOK FORWARD TO HEARING FROM YOU!

COME ON - GIVE IT A GO!

The NZ Artificial Limb Service believes this event is a great opportunity and is supportive of the Amputees Federation of NZ Inc. Therefore they have sent you this letter on our behalf.
